Annual Report 2025

**Bank Alfalah**  
The Way Forward

In Bangladesh, regulatory authorities require organizations to uphold their social responsibilities by contributing to the well-being of the community and fostering sustainable societal development. Since its inception, Bank Alfalah Bangladesh has consistently embraced this mandate by supporting a wide range of social initiatives and sponsoring programs that contribute to community development. These efforts are deeply rooted in the bank's Corporate Social Responsibility (CSR) philosophy, underscoring its identity as a progressive and socially responsible financial institution.

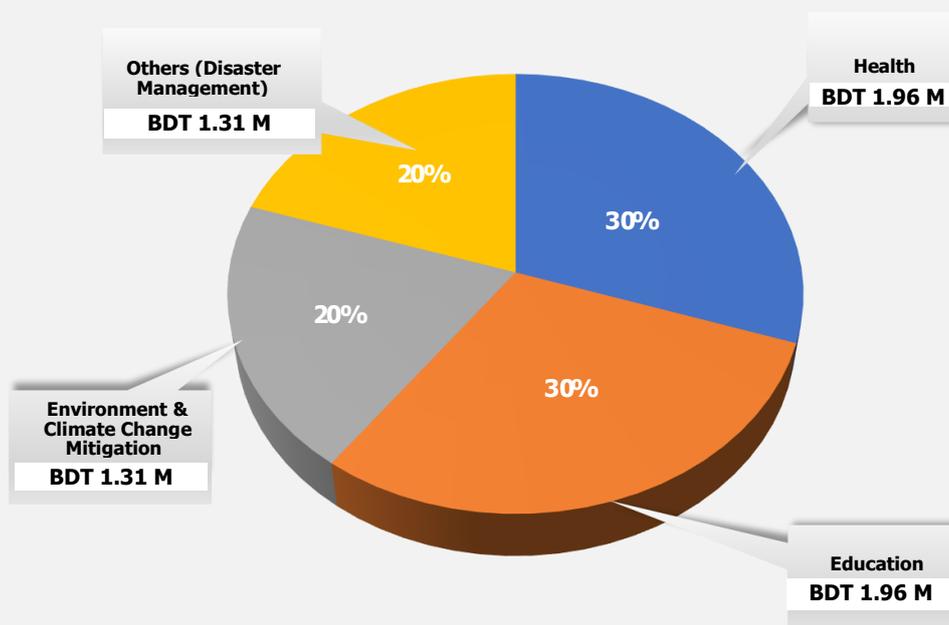

Bank Alfalah Bangladesh's CSR initiatives encompass diverse areas aimed at enhancing societal welfare. Key focus areas include support for education and healthcare, promotion of environmental sustainability and climate resilience, participation in disaster response and recovery efforts, preservation of cultural heritage, and empowerment of women entrepreneurs. Through these initiatives, the bank not only enhances its corporate reputation but also reaffirms its commitment to creating a positive and lasting impact on society.

A summary of the CSR programs undertaken in 2025 is presented below.

<b>CORPORATE SOCIAL RESPONSIBILITY PROJECTS 2025</b>		
<b>SL</b>	<b>Projects</b>	<b>Description</b>
1	Prosthetic and Orthotic Limb Center, TMSS Medical College	Bank Alfalah Bangladesh has provided support to the Prosthetic and Orthotic Limb Center at TMSS. This funding will enable the provision of 10 prosthetic limbs, including 6 for above-knee amputees, 4 for below-knee amputees, and support for 1 bilateral amputee.
2	Masuda Probin Nibash, TMSS Religious Complex	Bank Alfalah Bangladesh has provided assistance to the TMSS Religious Center to support 93 senior citizens residing in the care home. This contribution will help meet their essential needs, including medical care, medications, food, shelter, clothing, and other basic necessities.
3	Mohammad Alamgir (Support Staff)	Financial assistance was provided to Mohammad Alamgir, a support staff member of the Agrabad Branch, to help cover medical expenses as he battles life-threatening cervical lymph node cancer.
4	Bangladesh Economic Zones Authority (BEZA)	Financial assistance was provided to the Bangladesh Economic Zones Authority (BEZA), a government agency responsible for developing special economic zones, to support the establishment of safe and reliable childcare facilities.
5	Bangladesh Cancer Aid Trust (BANCAT)	Bank Alfalah Bangladesh sponsored a bed at Alok Nibash for one year, supporting an initiative of the Bangladesh Cancer Aid Trust (BANCAT). Alok Nibash is a pioneering holistic cancer care facility in Bangladesh, while BANCAT is a non-profit organization committed to addressing cancer as a major public health concern through prevention, education, advocacy, and service.
6	Kidney Foundation	Bank Alfalah Bangladesh provided financial assistance to the Kidney Foundation Hospital & Research Institute to support the procurement of hemodialysis machines.
7	BIMRAD Fund	Bank Alfalah Bangladesh made a donation to the Bangladesh Institute of Maritime Research and Development (BIMRAD) to support the creation of a fully equipped Research Library.

SL	Projects	Description
8	Society for Social Service (SSS)	The bank supported the procurement of essential equipment and materials for Pouro Ideal High School through the Society for Social Service (SSS), a national-level non-governmental development organization and a valued client of the bank.
9	JAAGO Foundation	Bank Alfalah Bangladesh provided financial assistance to sponsor approximately 15 students under JAAGO Foundation's Child Sponsorship Program. This allocation will contribute directly to their educational and personal development needs.
10	Probha Aurora Limited	Bank Alfalah Bangladesh provided support to Probha Aurora for the installation of eco-friendly water filters, monitoring and documentation, and national-level knowledge sharing in selected underserved schools. This initiative aims to introduce sustainable water systems, ensure proper usage monitoring and documentation, and facilitate nationwide knowledge sharing to improve student health, learning outcomes, and overall community wellbeing.

**Primary areas of CSR Activities in 2025:**

**Governance:**

We place equal importance on our CSR initiatives and business operations. Our approach is built on a strong foundation of good governance, which we consider essential to our strategy. To maintain the highest governance standards, all CSR project proposals are assessed through a standardized framework. Our CSR policy framework has been approved by the Board, ensuring transparency in all our investments.

**Way Forward:**

We remain dedicated to driving positive change through our initiatives in education, healthcare, environmental sustainability, climate change resilience, disaster management, and beyond. Additionally, we strive to provide crucial support during national emergencies whenever possible. Moving forward, we aim to deepen our engagement with marginalized communities to promote inclusive community development.
